

John Mark Woodland

The bearer of this Drone Pilot Ground School certificate has undergone 25+ hours of online small unmanned aerial system (sUAS) course training and demonstrated knowledge in aeronautical knowledge concepts like emergency operations, airspace classes, flight operations, micrometeorology and regulatory compliance.

The bearer of this certificate has also successfully passed our flight proficiency challenge, demonstrating multirotor proficiency and a commitment to sUAS operational safety.

A handwritten signature in black ink, appearing to read "Alan Perlman".

Alan Perlman

UAV Coach // Drone Pilot Ground School
